About Kyrgyzstan

A landlocked country with mountainous terrain, Kyrgyzstan is the 85th-largest country in the world by area. Situated in Central Asia, Kyrgyzstan has been described as the "Switzerland of Central Asia". Its capital and largest city Bishkek is known for vast plazas and dramatic monuments. Kyrgyzstan's recorded history spans over 2,000 years, encompassing a variety of cultures and empires. Kyrgyzstan has been at the crossroads of several great civilizations as part of the Silk Road and other commercial and cultural routes. The mountainous Tian Shan region covers 80 % of Kyrgyzstan and it is "the most complete example of a sacred mountain anywhere in Central Asia," according to UNESCO.
